

# INTERNET SAFETY

## Trolling

**Is when a person or a group of people try to start an argument. Ignore them and don't get involved.**

## Spam

**Is when someone keeps sending you unwanted emails or messages. If its on YouTube you can flag it as spam. And you should ignore this.**

## Grooming

**Is when someone spends time trying to be your friend then ask to meet you . If you are going to meet them bring a parent or trusted adult but NEVER arrange to meet them alone.**

**That's some info on how to stay safe on line**
